

**MONTGOMERY  
VINEYARD  
2014 CABERNET SAUVIGNON  
NAPA VALLEY**

**TASTING NOTES**

The Cabernet Sauvignon displays gorgeous fruit on the nose of ripe plum, blackberry and currant combined with perfumed floral notes of spring flowers and hints of sweet spice. The smoothness of the mouthfeel is especially impressive. Although the wine possesses substantial structure, weight and concentration, we strive for elegance, and our Cabernet is by no means overpowering, even in its youth. We envision this wine aging wonderfully in the cellar, but don't be afraid to open a bottle and enjoy it in its youth as well.
