

**MONTGOMERY  
VINEYARD  
2015 CABERNET SAUVIGNON  
NAPA VALLEY**

**TASTING NOTES**

The Cabernet Sauvignon shows off a beautiful aroma of concentrated, ripe, dark fruit, indicative of the vintage, and complimented nicely with the signature perfumed floral notes and hints of sweet spice, typical of the vineyard. The mouthfeel is wonderfully balanced between strength and sophistication. Although the wine possesses substantial structure, weight and concentration, we strive for elegance, and our Cabernet is by no means overpowering, even in its youth. We envision this wine aging wonderfully in the cellar, but don't be afraid to open a bottle and enjoy it in its youth as well.

**PRODUCTION / VINEYARD NOTES**
